***\*\*Please refer to the appropriate makeup schedule to determine arrival time for your student. Toddler/Kinder (TD/CK) and male students (with the exception of Clowning students) DO NOT wear makeup.***

**The following information applies to ALL students registered in the  
YOUTH PROGRAM (AGES 6+).**

**If your child is a Toddler or Kinder, please refer to the TD/CK Cheat Sheet.**

## **COSTUMES**

*When possible, label ALL costume pieces, including shoes and accessories,  
with the performer's first initial and full last name.*

### **Costumes and Costume Hangers**

Each costume will be labeled on the hanger with the performer's name and act, and color-coded to indicate for which performances the costume will be used. After each act, it is the responsibility of the performer to hang his/her costume on the correct hanger. *Please do not put costumes in the lockers or take them home during any part of the show's run. Hangers are the property of CJ and should NOT be taken home with your costumes.*

### **Costume Repairs**

If a costume needs to be repaired, a performer should take the time to show the costume staff what has happened. The staff will try to get the costume ready for the next performance.

### **When Can Costumes Be Removed from the Building?**

Students performing in the Purple Show must leave their costumes in the building until May 6 (the day of their last performance). All other performers must leave their costumes in the building until pick up becomes available on **Tuesday, May 9**. This may seem a little inconvenient but it prevents a performer from accidentally taking someone else's costume home. It also allows our staff time to organize everything for pick up. All costumes will be in the lobby area Tuesday, May 9 through Friday, May 12. **Costumes are moved into storage after the second week of summer session, so please be sure to pick up your costumes no later than Saturday, May 27.**

### **Shoes**

Select acts require shoes and are the responsibility of each individual performer. If shoes are only used for one show team, students can attach them to that costume's hanger. Bags will be made available to those who choose this option. However, students in more than one show team need to make sure they bring their shoes for the next appropriate performance. **Please wear street shoes and change into performance shoes when you arrive.**

### **When and where can I purchase shoes?**

For shoe ordering requirements, please refer to the spring show shoe flyer on the [Spring Show Announcements](#) tab in the Family Portal of the CJ website (copies are also available at the front desk). *Shoes should be purchased well before show time; the discount at Grand Jete is only available until **March 25**.*

### **Fishnets and Accessories**

Select acts require fishnets, usually based on the design of the costume (ie: costumes that require bare legs, etc). All accessories will be hanging with the performer's costume for the run of the show. Just like shoes, the fishnets may be needed for more than one costume and for more than one show color. Just like with shoes, when fishnets are needed for more than one show color, it is the responsibility of the performer to hold on to the fishnets and not store them with a costume from a different show color.

### **Do I Need to Order My Own Fishnets?**

No. Circus Juventas will order all fishnets as well as pair them with the appropriate costume when they arrive. *Please note: families are billed during the Spring Session for these additional costs, where applicable.*

### **What If I Already Have Fishnets?**

Previously used fishnets must be approved for use by the Artistic Department. Please contact Rhiannon for more information: [rhiannon@circusjuventas.org](mailto:rhiannon@circusjuventas.org). If approved, you will be responsible for bringing your fishnets to the first dress rehearsal.

Our performance season would not be possible without **PARENT VOLUNTEERS**. The Spring Celebration performances alone require 781 volunteer shifts over the course of two weekends. **PLEASE consider signing up TODAY!** For more information, please contact Kim at 651-699-8229 (ext 204); [kim@circusjuventas.org](mailto:kim@circusjuventas.org).

- You must attend the pre-show meeting.
- Come prepared! Pack non-messy snacks, homework, quiet games, water, etc.
- These are CLOSED rehearsals! Only parents/guardians may be present.
- Performers are dismissed BY THEIR COACH at the end of their last act.

# SHOW DAY PROCEDURES

## Makeup Application Schedule

Please check the makeup application schedule (provided in addition to this packet on the lobby bulletin board AND at the front desk) and **arrive on time** (or early!) for your scheduled time. Our volunteers cannot guarantee makeup application for performers that miss their time. Performers are responsible for their own makeup remover.

## Hair

Plan to have your performer arrive with his/her hair done. Long hair needs to be pulled back. (Ponytails, buns, or braids work well!) We do NOT have volunteers to help with hair.

## Cover-Up

Every performer must have a costume cover-up (oversized, black t-shirt to wear over costumes). This cover-up should be worn at all times except when performing, during which time it should be stored in the performer's bag. *Please label the tag with the performer's first initial and last name.*

## Food and Water Bottle

Plan to eat before arriving at Circus. *No greasy, messy, or fast food is allowed in the arena or backstage.* Healthy, non-messy snacks and a water bottle (labeled with the performer's name) are encouraged. Each performer that eats backstage is responsible for cleaning up after themselves. **Please do not bring food items containing peanuts – some of our students have severe allergies to peanut products.** Performers will ONLY be allowed to visit concessions prior to and immediately following intermission.

## Supplies Bag or Backpack

We recommend all performers bring a bag backstage (preferably one that zips or ties shut). This bag should be used to store healthy snacks, a water bottle, street clothes, cover-ups, blankets, and quiet activities (books, cards, etc). *Everything should be labeled with the performer's first initial and last name.*

## Equipment Etiquette

In order to maintain a safe and orderly backstage area, we ask that all students abide by the following:

- All unicycles must be hung up in the designated area. Backstage volunteers have the right to confiscate unicycles ridden in the building once the pre-show meeting starts.
- No juggling backstage.
- Safety belts must be returned to the stage manager or tunnel runner after the act in which it was worn.
- Rosin socks and athletic tape will be available in the tunnel. Use only what you need!

## Cleaning Schedule

All performers in the second half of the show, ages 11 and older, are required to help clean the arena following performances. Please check the cleanup schedule (located at the front desk a week or so before the shows) and make plans accordingly. Note: Cleaning after the final Purple Show will include more students than the other nights in order to help restore the building from "show mode." This may mean that some students on the Purple Show may have to clean after more than one performance.

Our performance season would not be possible without **PARENT VOLUNTEERS**. The Spring Celebration performances alone require 781 volunteer shifts over the course of two weekends. **PLEASE consider signing up TODAY!** For more information, please contact Kim at 651-699-8229 (ext 204); [kim@circusjuventas.org](mailto:kim@circusjuventas.org).

## SHOW DAY PROCEDURES (continued)

### Departing from the Circus

Performers with acts only in the first half of the show are expected to leave during intermission, after the first-half bow. Performers will need a ticket to join friends or family in the seating units. (Please change out of costumes before leaving the backstage area.) **Parents should pick up students who are 10 and younger from the backstage curtain by their respective locker rooms (boys at the north curtain and girls at the south curtain).** First-half performers whose parents are volunteering are allowed to wait backstage for the remainder of the show, but cannot join their parent in his/her volunteer duties/area. Performers with acts in the second half are expected to stay for the final bow.

During tech/dress rehearsals and performances, Circus Juventas provides a **BLOG via our Twitter account** for CJ families to track what acts are currently performing and which acts are coming up next (information posted does not include student names). These posts help you to know when your performer may be finished and ready for pick up if you choose not to stay in the building. We hope to continue to provide this useful service, but will be unable to do so without volunteers to cover the tech/dress and performances. Check it out as part of the volunteer positions listed.

## PERFORMER AND PARENT RESPONSIBILITIES

- Arrive on schedule for your makeup time! That means arriving early enough to first get into costume before reporting to the multipurpose room for your makeup application.
- Pre-Show Meetings start promptly at 6:00 p.m. for evening performances or 12:00 p.m. for matinees. All performers are expected to make it to the pre-show meetings *with the exception of the Toddlers/Kinders*.
- Remember that the volunteers are volunteers and are here to help with the show, so please say please and thank you to them. This show cannot happen without them.
- Your costume is your responsibility. Please hang it up on the hanger with the **correct label** and place it on the rack in the correct spot, with your shoes and/or fishnets in the accessory bag. Ask a volunteer backstage if you need help!
- Eat your meals outside of the Circus Juventas building; you may bring an appropriate non-messy snack if needed, so long as you clean up when finished. Bring a water bottle with your name on it!
- Leave valuable items at home! We do NOT recommend bringing items such as iPads backstage.
- Ushers may ask us to turn off Wi-Fi during the ticket scanning process (pre-show beginning 30 minutes prior to performance). Please keep this in mind when planning backstage activities.
- Performers and parents should make pick-up arrangements before the show.
- Cell phones must be silenced during the shows!
- No friends, siblings, or parents without volunteer name tags are allowed backstage.

# Spring Show Teams 2017

Please note: We understand that our students and their families have very busy lives. We try to accommodate as many conflicts with the show dates as we can, and while we cannot honor all requests, we take school trips into high consideration. Some classes are split between show teams to accommodate conflicts and the number of students who can perform at one time. The acts affected include: Bungee Trapeze, Juggling, Ladder Trapeze, Mini Hammock, Side by Side, and Triple Trapeze.

**(Please see your packet details page or the binder at the front desk with specific student information when classes might be split between show teams.)**
