

Circus Juventas Locker Usage Contract, 2018-2019

Due by September 20, 2018

Circus Juventas has a limited number of lockers to offer to our students. As a result, we ask that students ONLY request locker space if they meet the following criteria:

1. Are at least 13 years of age
2. Are enrolled in four or more classes per session
3. Those classes are dispersed amongst two or more days

We additionally ask that locker users adhere to the following rules:

1. Students are expected to supply their own locks and must provide the combination to CJ Staff. Please write combination here: _____. Note: if you don't have a lock or get a new lock you can update it with us at that time.
2. Should students choose to decorate the inside/outside of their assigned locker, they will do so only with items that can be easily removed and don't leave permanent markings/residue behind.
3. Students should not tamper with other lockers or in any way damage the locker room space.
4. Students will, as needed, empty out their lockers to allow for cleaning and/or reassignment.
5. Students and parents will be held accountable should the student cause any permanent damage to his/her locker. Punishment for defacing lockers will be loss of privileges and reasonable financial penalty.
6. Students are NOT allowed to "hand down" their locker to another student. Should a student decide to surrender his/her locker, s/he must notify the School Administrative Staff who will reassign the space as appropriate.
7. Students ARE permitted to share lockers with the understanding that both parties are expected to sign and submit this contract. Additionally, staff will not "police" this relationship: details of the shared space should be worked out by the students involved, not by CJ staff. *
8. Students will recognize locker usage as a privilege and act in a respectful manner accordingly.

Circus Juventas is NOT responsible for any stolen or misplaced items in lockers or the locker room at large, especially if students neglect to attach a lock to their lockers. As much as possible, students should be prepared to leave valuable items at home. If students have valuable items they would prefer NOT to leave in their lockers/locker room, they are permitted to bring those items to the front desk for storage during class time. Items will only be stored until 8:30 p.m. (when the last staff person leaves for the day). Items left overnight will need to be picked up the following day.

I, _____ have read the criteria and expectations outlined above. I understand that, if assigned a locker, my assignment will last only through the end of Summer Session 2019, at which time my locker must be emptied and surrendered back to Circus Juventas. I also understand that I will need to resubmit my locker request every Fall Session and that I am not guaranteed locker space should the criteria change.

I, _____ have read the criteria and expectations outlined above. I have reviewed this information with my student and feel confident that s/he understands the scale of this commitment.

Student Signature _____ Date: _____

I currently have a locker and would like locker # _____

*I want to share a locker with _____

Parent Signature _____ Date: _____
