# INSTRUCTIONS FOR YOUTH PROGRAM (AGES 6+)

The following information applies to ALL students registered in the youth program. If your student is a Toddler, Circus Kinder, or Fabulous First refer to the TD/CK/FF Cheat Sheet later in the packet.

## COSTUMES AND MASKS

*When possible, label ALL costume pieces, including shoes and accessories, with the performer's first initial and full last name.*

### Costumes and costume hangers:

Each costume will be labeled on the hanger with the performer's name and act, and it will be color-coded by performance. **After each act, it is the responsibility of the performer to hang their costume on the correct hanger.** Please do not put costumes in the lockers or take them home during any part of the show's run. Hangers are the property of CJ and should NOT be taken home with your costumes.

### Masks:

Student performers will be required to wear masks while backstage and when performing. In an effort to coordinate with costumes, students may choose the specific style recommended for each act or opt for a white or black mask in their preferred style. Information about specific mask colors and/or styles recommended for each act and links for purchase can be found on the mask flyer on the CJ website under [Spring Show Announcements](#). Masks are the responsibility of each individual performer. Students may keep their costume masks in the accessory bag for each costume.

### Costume repairs:

If a costume needs to be repaired, it is the responsibility of the performer to bring their costume to the costume staff.

### When can costumes be removed from the building?

All performers must leave their costumes in the building after the performances. This prevents a performer from accidentally taking someone else's costume home, and it allows our staff time to organize for pick up. **All costumes will be available for pick up in the lobby area Tuesday, May 11, through Friday, May 14.** Costumes are moved into storage after the second week of summer session (Saturday, May 29).

### Shoes:

Select acts require shoes and are the responsibility of each individual performer. If shoes are only used for one show team, students can attach them to that costume's hanger in the accessory bag. Students in more than one show team need to make sure they keep their shoes for the next performance. **Please wear street shoes and change into performance shoes when you arrive.**

### When and where can I purchase shoes?

For shoe ordering requirements, please refer to the spring show shoe flyer on the [Spring Show Announcements](#) tab in the Family Portal of the CJ website (copies are also available at the front desk). *Shoes should be purchased well before show time; the discount at Grand Jete is only available until Saturday, April 3.*

### Fishnets and accessories:

Select acts require fishnets. Fishnets will be in the accessory bag for each costume that requires them. **CJ will provide fishnets, and they do not need to be purchased.**

# !!! VOLUNTEERING !!!

**Without our family volunteers,  
the show simply can't go on!**

Our performances would not be possible without our FAMILYVOLUNTEERS! The Spring Celebration Performances require around 600 volunteer shifts over the course of two weeks. This year, more than ever, it is imperative that we have enough volunteers to keep our students (and audience members) safe and healthy.

Please consider signing up for a show in which your student is NOT performing. This will allow volunteers to focus on their jobs throughout the entire show. BONUS- by volunteering for a different show, you are enabling another parent to watch their student from the audience or manage their own student's arrival and departures.

## PLEASE CONSIDER SIGNING UP TODAY!

Our SignUp Genius page will go live after the family meeting! The link to sign up will be sent via email. For more information, please contact Becky at [becky@circusjuventas.org](mailto:becky@circusjuventas.org).

### SHOW DAY PROCEDURES (YOUTH)

**Makeup:**

Due to COVID-19, CJ will not be providing communal makeup to students. **All students may choose to wear makeup or opt out.** Students choosing to wear makeup must arrive already in makeup. **Video tutorials and information about where to purchase makeup will be disseminated in early April.** Students wearing makeup **MUST** follow these tutorials! If a student arrives with a makeup look that does not adhere to the tutorial provided, they will be asked to remove the makeup prior to performing.

**Hair:**

Plan to have your performer arrive with their hair done. Long hair needs to be pulled back. (Ponytails, buns, or braids work well.) We do **NOT** have volunteers to help with hair.

**Personal items and backstage procedures:**

Students should be prepared to occupy themselves quietly backstage. Items can be misplaced easily, so please send along necessary items only.

- Bring quiet activities such as quiet games, books, and homework.
- **Leave valuable or special items at home!** We do **NOT** recommend bringing items such as iPads, hand-held game consoles, or treasured items such as stuffed animals backstage.
- Wi-Fi will be unavailable for the duration of the show, please keep this in mind when planning backstage activities.
- Cell phones must be silenced backstage!

**Cover-Up:**

Every performer must have a costume cover-up (oversized black T-shirt to wear over costumes). This cover-up should be worn at all times except when performing, during which time it should be stored in the performer's bag. *Please label the tag with the performer's first initial and last name.*

**Food and water bottles:**

Plan to eat before arriving at circus – no food deliveries are allowed to CJ during tech/dress rehearsals OR shows.

- **To help limit students removing masks backstage, we ask that you only send snacks if your student will be in the building for a long period of time. Please balance the need to fuel your student's activity with the health and safety of those around them as best you can.**
- *No greasy, messy, or fast food is allowed in the arena or backstage.*
- Bring healthy, non-messy snacks and a water bottle (labeled with the performer's name – **NO GLASS**).
- Performers who eat backstage are responsible for cleaning up after themselves.
- **Please do not bring food items containing peanuts** – some of our students have severe allergies to peanut products.
- There will be no concessions sales this year.

**Equipment etiquette:**

To maintain a safe and orderly backstage area, we ask that all students abide by the following:

- All unicycles must be hung up in the designated area. Backstage volunteers have the right to confiscate unicycles ridden in the building.
- No juggling backstage.
- Safety belts must be returned to the tunnel runner after the act in which it was worn. Spray rosin and athletic tape will be available in the tunnel. Use only what you need!
- Individual baggies of chalk rosin and chalk are available for students. Ask your coach or act captain!

**Cleaning schedule:**

Due to the reduced audience capacity and no concession sales, students will not be asked to clean after performances. There will be no cleaning schedule!

## !!! NEW SHOW DAY ARRIVAL AND DEPARTURE PROCEDURES !!!

To accommodate social distancing backstage, **there will be staggered arrival and departure times for each show. Exact arrival/departure schedules will be released in early April.** This will allow us to ensure that we are meeting the social distancing requirements at the time of the performances. (The earliest possible student call time will be 5:30 p.m. for evening shows and 11:30 a.m. for matinees.)

**Drop off/Pick up/Check in:**

- There will be a red check-in tent at the back of the building. All students must go to the red check-in tent upon arrival at the designated call time for their first act.
- Students will wait in the check-in tent until their act captain takes them into the building.
- Students with multiple acts in a show will remain backstage and be dismissed after their final act in the show.
- There will be no pre-show cast meeting this year. Students will be escorted from the check-in tent to their backstage areas. Essential information will be disseminated by the act captains.

**Pick up:**

- There will be a separate, supervised pick-up tent outside the back door.
- **Performers with acts only in the 1<sup>st</sup> half will be dismissed to the pick-up tent and must leave the backstage area after their final act.**
  - **There will be no 1<sup>st</sup> half walk-around.**
  - **Students 10 years and younger must be signed out by an adult.**
  - Students 11 years and older are welcome to wait in the pick-up tent but do not need to be signed out.
- **All performers with acts in the 2<sup>nd</sup> half will stay for final bow at the end of the performance.**
  - **Students 10 years and younger will be dismissed to the pick-up tent and must be signed out by an adult.**
  - Students 11 years and older do not need to be signed out and may exit through any door.

**Style and Smile Awards:**

Even a pandemic can't keep us from recognizing greatness in our students! Since there is no pre-show meeting during performances this year, Style and Smile recipients will be recognized on our social media channels!

**Parking lot procedures:**

- The staggered drop off and pick up times could result in a traffic jam in the CJ parking lot.
- **Please exit the parking lot after drop off and return at the designated pick up time. Do not wait in the parking lot/parking lane between drop off and pick up!**
- When picking up students, the best plan is to find alternate parking and walk up to retrieve your student.
- We will have parking lot attendants, and our usual St. Paul police presence, to help direct traffic flow.

## **FOLLOW ALONG ON TWITTER [@CircusJuventas](#)**

During tech/dress rehearsals and performances, Circus Juventas tries to provide updates via our Twitter account for CJ families to track which act is currently performing and which act is coming up next. These Tweets help parents know when their performer will be finished and ready for pick up. Visit us on Twitter @CircusJuventas.

**This is a fantastic volunteer opportunity!**

**Our SignUp Genius page will go live after the family meeting! The link to sign up will be sent via email. For more information, please contact Becky at [becky@circusjuventas.org](mailto:becky@circusjuventas.org).**

## **SPRING 2021 CIRCUS JUVENTAS T-SHIRTS!**

**Don't forget to purchase your Spring Show T-Shirts!**

**Students performing in the spring celebration are encouraged to purchase a performer T-shirt.** If wearing this shirt as a backstage cover-up during the show, please be sure to buy at least one size larger. **The option to purchase this T-shirt was included in your spring registration, but if you didn't purchase it earlier, there's still time!** We encourage parents volunteering for the Spring Celebration performances to purchase a "Crew" or "Rigger" Circus Juventas T-Shirt.

**New this year: you can purchase a "Performer," "Crew," or "Rigger" Circus Juventas T-shirt directly through your Active Network [family account](#)!** Just login and click the "Add Purchases" button next to any spring session class registration and you will be able to pay and check-out for that t-shirt order right from your screen!

**The deadline for all T-shirt purchases is Friday, April 2**
