

SPRING 2021 MASK FLYER

All students performing in the 2021 Spring Celebration Performances are required to wear masks. To ensure that you have a mask that matches your student's costume we are providing a link to where you can purchase the recommended mask. We have also provided an alternate mask color if families feel more comfortable choosing their own mask.

Please note that if your student is in multiple acts, they may need to purchase multiple masks! Make sure to place your order ASAP to ensure that your student has the proper mask for the performances. We encourage you to purchase a few backups so that your student can practice in their performance mask during class.

Toddlers , Fabulous Firsts, and Circus Kinders do not have a specific link we just ask that they have a white mask of the family's choosing.

If you have any questions, please contact Rachel at rachel@circusjuventas.org!
