

CLASS COSTS

How much does a class cost? That depends on the price category and and if a multi-class discount applies! Read below to learn about general fee, fixed fee, and the multi-class discount.

General fee classes:

>> Meet once a week for 50 min.

>> Eligible for multi-class discount.

Other fees:

>> \$45 non-refundable registration fee (once per academic year).

>> \$25 late fee applied to returning student registrations submitted after registration deadline.

How to pay*:

*Please note that payment is due at the time of registration and there is no option for offline payment.

>> Pay in full at check out. We accept all major credit cards.

>> Enroll in a payment plan. Payment plans charge 50% of the total at check out. The remaining balance is auto-charged on the second billing date (typically the third Friday of classes each session.)

>> If you have a credit available on your account, you will have the option to first apply the credit to the balance due before paying the remaining balance at check out.
