

# CLASS COSTS

How much does a class cost? That depends on the price category and if a multi-class discount applies! Read below to learn about general fee, fixed fee, and the multi-class discount.

## General fee classes:

>> Meet once a week for 50 min.

>> Eligible for multi-class discount.

## Other fees:

>> \$45 non-refundable registration fee (once per academic year).

>> \$25 late fee applied to returning student registrations submitted after registration deadline.

## Fixed fee classes:

- >> Meet more than once a week.
- >> Require special equipment and/or more specific coaching needs.
- >> NOT eligible for multi-class discount.
- >> Indicated by (FF) throughout the guide's index.

## How To Pay:

- >> Pay in full at check out. The primary parent on the account is ultimately responsible for all payments on their student's account. Delayed payments can result in delay or refusal of student enrollment.
- >> Enroll in a payment plan. Payment plans charge 50% of the total at check out. The remaining balance is auto-charged on the second billing date (typically the third Friday of classes each session.)
- >> If you have a credit available on your account, you will have the option to first apply the credit to the balance due before paying the remaining balance at check out.
