

2024 Spring Show Extra Practice Schedule

Updated 4.22.24

Extra practices are vital for acts that combine numerous classes. It is the only opportunity to rehearse all students together in the proper arena space.

It is extremely important that all students attend these rehearsals.

Please read the following schedule carefully and note that many acts have two rehearsals. If your student is scheduled for two rehearsals at the same time, coaches will accommodate.

If you have conflicts or questions, please email adminstaff@circusjuventas.org or call 651-699-8229.
